FAREWELL 19 YEARS

MESSAGE FROM THE CREATOR

When I started Blatino Oasis, I was in my forties, I am now in my sixties. So much has changed since the time I launched this retreat almost 20 years ago. Palm Springs has changed, the political and economic climate has changed, and most importantly, I have changed. Next to being a dad, a granddad, a husband, co-founder of Oakland Pride, and co-founder of the Oakland LGBTQ Community Center, the Blatino Oasis Erotic Retreat has been an incredibly rewarding, joyful, and insightful experience. I am ending Blatino Oasis because it is time for me to "grow-forward" from this event for the reasons that I have stated above.

I am turning my attention to more pressing issues during these challenging times. I will not be "passing the torch." However, I am working on a documentary to tell the story of this first of its kind, men of color event in Palm Springs, California. I look forward to sharing our story with you. I am very proud to have created a unique safe space for queer men of color to embrace their sexuality and celebrate men in the adult media and content creation industry. I close this event with a strong sense of accomplishment and a belief that the Blatino Oasis Erotic Retreat was so much more than what people made it out to be. To many, it was a stigma-free, sex-positive, safe space for our community to explore brotherly love, male bonding, sexual desire, and sexual healing in a beautiful, California desert oasis paradise. Thank you to the thousands of men who were unafraid to support our unforgettable Blatino Oasis journey over these many years. I love you all.
